Serving Area Seniors

ORR Junior High School's Annual Thanksgiving Dinner

By Bethany Morgan

"It felt nice to put a smile on their faces for Thanksgiving," said Ben Mahoney, an eighth grade student at Old Rochester Regional Junior High School. "If we all pitched in we could make a difference."

Ben was one of many students who served coffee, tea, and apple juice at this year's third annual Thanksgiving dinner for area seniors. This simple sentiment, as expressed so eloquently, is what brought the dinner into existence.

Jeff Rodman, a seventh grade math teacher at the school, was motivated by his own childhood memories to organize the dinner. While in high school, Mr. Rodman participated in school-sponsored community events which brought together the young and the old. This experience touched him so that since then he has "always thought it was important for kids to do community projects."

Not only is the dinner an educational experience that will remain with the students for the rest of their lives, but also an educational experience for the seniors. As Olive Harris, a senior from Marion, said, "Some of us worry about the future of our world but when you see this happening, we don't need to worry anymore." And senior Sarah Gibbs said after the dinner was through, "It renewed my feelings and faith in these children ... sometimes you hate to read the paper."

Generating these sentiments of hope required a lot of hard work by the dedicated eighth graders — most of which was done on their free time. They worked with the Student Affairs Committee to acquire the donations for the traditional Thanksgiving menu which consisted of turkey, stuffing, peas, mashed potatoes, gravy, squash, and biscuits. For the desserts, such as spice cake and pumpkin pies, the students and faculty baked them in their homes and/or at school.

The students also contacted area businesses to provide donations for the raffle. The students acquired over 20 prizes ranging from gift certificates to local restaurants and specialty stores to bouquets of flowers and cranberry breads. The students worked with the Council on Aging of Mattapoisett, Marion, and Rochester to help bring together the seniors for whom the dinner was arranged.

The students also helped to provide the entertainment from the ORR High School Jazz Band, a faculty barbershop quartet, and dance music through the courtesy of disc jockey and ORRJHS art teacher Ron Mello. Yet the students' contributions didn't stop there. Over 125 students out of a class of 170 gave up a Sunday afternoon off to usher and diligently serve the dinner.

Over 193 seniors came to enjoy the hospitality provided by the eighth graders — some 53 more than last year — as well as 15 deliveries to those seniors unable to leave their homes. Those seniors who were able to attend were greeted with warm appreciative smiles and an aroma of a finely-prepared Thanksgiving meal.

While they dined, they enjoyed the music of the jazz band, the faculty barbershop quartet singing from table to table, and the companionship of the students. After the meal they eagerly consumed the delicious desserts and anxiously awaited the drawing of the raffle. To top off a successful community event, the seniors then danced to the music of Ron Mello.

"I hope it's an ORR tradition for years to come," said Mr. Rodman to the many satisfied and stuffed seniors and students. "We're trying to showcase the students for the good things they do." He then directed the students to begin the final step of their community service — the clean-up.

of the Community Resources Network (CRN) were busy packing boxes which would be distributed to needy families throughout the area for the Thanksgiving holiday. The large cardboard boxes, which were adorned with holiday pictures made by Wareham students, were stuffed with all the fixings for a complete Thanksgiving feast and would go to over 185 families in Buzzards Bay, Wareham, Marion and Rochester.

According to CRN Chairwoman Anne Jackson, the group's main purpose and sole reason for being is to provide all the essentials to needy families throughout the area. "We've got a core of dedicated volunteers who help meet the crisis needs of area families," she said. "We help provide them with fuel, clothing, furniture and food."

The relatively small group was started some two years ago by Marjorie Mollar, a minister at the United Wesley Methodist Church in Wareham and was based on a model program already in place in

Mansfield. This being only their second annual Thanksgiving Food Basket Drive, many volunteers and CRN board members were happily surprised that the demand had increased from approximately 130 boxes delivered last year to well over 185 distributed this year.

"It's nice to see this happen every year and to see so many people coming together," said Mike Bassett of Buzzards Bay, a return volunteer. He and the dozen or so other CRN workers scurried around Damien's Place, a Wareham food pantry which generously offered their facilities in which to prepare the food baskets, in anticipation of the 2:00 pm deadline when the boxes would either be picked up or delivered to the needy.

And the volunteer effort isn't restricted to CRN workers. Tad Tuttle of Wareham called the organization simply to offer his services. "My family lives out of state and I wanted to do something for the local people for Thanksgiving," he said.

Marion's Carol Meymaris said this effort was an ideal way for her to give something back to the community. "I just move here last year and I read about their Stone Soup Day," she said. "I thought it would be nice for me to volunteer. It's a wonderful organization and they're doing a wonderful service."

CRN board member Cindy Kelly of Onset explained that the Community Resources Network was formed in April of 1991 and was officially incorporated a year later. The Thanksgiving Food Drive is one of two major events the CRN sponsors each year — the other being a Stone Soup Day held in May whereby community members are brought together to share with those less fortunate.

Ms. Jackson noted that all of the food distributed in the Thanksgiving Drive was graciously donated by countless area clubs and organizations, either in the form of money or actual food products. As CRN is currently applying for non-profit status, they do not fund the event and all labor is strictly volunteer.

Seeing the smiles on the faces of the many volunteers proved that satisfaction was compensation enough.

"I've been doing (work) like this for over 20 years," said Madelon Flanagan, who is also a representative for the Wareham Salvation Army and the Head Start program. "And every year I still think it's worth it."

The Community Resources Network is supported by many area civic, school and church organizations in Buzzards Bay, Marion, Rochester and Greater Wareham. For further information on how you can help the CRN either by volunteering your time or donating to the cause, write to: Community Resources Network, P.O. Box 257, Wareham, MA 02571. Mattapoisett Selectmen's Meeting

November 23, 1993

A regular meeting of the Mattapoisett Board of Selectmen was called to order on Tuesday, November 23, 1993 at 7:05 pm by Chairman John N. DeCosta. Also present were Selectman Daniel O. Mahoney and Executive Secretary Carol Adams. Selectman Paul E. Lambalot called and said he would be late arriving for the meeting from Boston.

After approving the minutes of the November 16 meeting, the board signed all the payrolls, bills, licenses, permits and correspondence for the week. The board then voted to appoint Carol A. Fletcher as a member of the town's Historical Commission. Ms. Fletcher will serve through April 30, 1994, the unexpired term of Rory McFee who resigned due to family obligations.

Ms. Adams noted that the town Christmas tree will be put up in the Shipyard Park gazebo next week (either December 1, 2 or 3).

The new live tree was donated through the graciousness of Swen Olaussen of the Christmas Tree Farm on New Bedford Road in Rochester. "We thank Mr. Olaussen for his most generous donation to the town of Mattapoisett," Ms. Adams said. The tree will be decorated on the following weekend (either December 4 or 5).

The board next met briefly with Dave Paquin of Fairhaven and Building Inspector Andrew J. Bobola regarding Mr. Paquin's property at 16 Brandt Island Road. Mr. Paquin contends that an abuttor, Raymond Dupont of 20 Brandt Island Road, has built a pool and deck on a portion of his property. According to Mr. Paquin, in 1986 he notified Mr. Dupont of this matter and explained that the property had been surveyed by Engineer Arthur C. Thompson in 1976 and found that the plot lines were incorrect.

Mr. Paquin was also upset that both the pool and deck were permitted to be built by Mattapoisett's former Building Inspector, David

S. Crook, in 1986 after the incorrect boundary lines had been brought to both the town's and country's attention.

Although the board was concerned that an error may have been made by a former town employee in this matter, they noted that Mr. Paquin had waited too long to bring this matter to their attention. "Section 6 of the General Zoning Act provides a six year statute of limitations on zoning matters," said Selectman Mahoney. "You've got a severe statute of limitations problem in that six years has elapsed as of June, 1992."

Mr. Bobola noted that he cannot make a determination based on insufficient evidence and must only consider whether the current plot lines are correct and if the pool and deck are, in fact, on Mr. Paquin's property. Thus far, he has been unable to ascertain either point.

Mr. Paquin asked. "Don't you have to prove ownership before getting a permit?"

Selectman Mahoney was sympathetic to Mr. Paquin's plight, but explained that the matter was really out of their hands. "The Selectmen really have no authority in this matter," he said. "What you really need to do is consult your lawyer and take up this matter with both Mr. Bobola and Arthur Thompson. This is a personal land dispute between you and Mr. Dupont."

Chairman DeCosta cited the following meetings and closings for the week:

• Thursday, November 25 and Friday, November 26 — Town Hall will be closed in observance of the Thanksgiving Holiday.

• Monday, November 29 — Police Negotiations with Board of Selectmen (Executive Session) at 7:00 pm.

Ms. Adams noted that the Library Trustees had contacted her regarding the recent appointment of Mary Worden as a Trustee. They noted that the appointment must be made and approved jointly by the Trustees and the Board of Selectmen. The board thereby moved and approved the appointment of Mary Worden of Oceanview Avenue to serve as Library Trustee

Ms. Adams also announced that the Board of Selectmen's office will be accepting Articles, Petitions, and Street Acceptances for insertion into the 1994 Annual Town Meeting Warrant until 4:00 pm on March 1, 1994. At 8:00 pm members of the town's Recycling Committee and Board of Health came before the board to update them on the establishment of a curbside recycling program in 1994. Board of Health Chairman Robert Field explained that they wanted to update the board on their progress and the plans for an article on the next Annual Town Meeting warrant to establish and fund said program. "We'll be looking to a program like Fairhaven has in place whereby a contractor will pick up the recyclables," he said.

When Selectman Mahoney asked if they had given any thought to joining forces with Marion and Rochester, the committee was more inclined to strike out on their own as they have already progressed a great deal passed their

Under incoming correspondence for the week, Chairman DeCosta noted the following:

dock and the river channel.

The board also received a letter from Susan Grace of Mattapoisett expressing her opposition to the construction of the dock and float and the dredging as proposed by Kenneth and June Shwartz.

• A copy of a letter addressed to Mr. James Ragsdale, Editor of *The Standard-Times*, from Kirsten Taylor Gingras of Fairhaven Road was sent to the board regarding an article which appeared in the November 15 edition of the newspaper. Ms. Gingras noted that "Dan Durand's article (was) ... completely in poor taste" and "ethically irresponsible." She was upset that the article — which was about the home where her mother and father, Richard and Janice Taylor, were killed in a fire — wasn't more sensitive to the surviving family members.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 8:30 pm and wished everyone a Happy Thanksgiving!

Editor's Note: Due to the Thanksgiving Holiday this week and lack of pending issues, the Marion Board of Selectmen did not meet on Tuesday, November 23.

Rochester Selectmen's Meeting

November 22, 1993

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, November 22, 1993 at 7:00 pm by Chairwoman Lorraine Roy Hawkes. Also present were Selectman David L. Hughes, Selectman Michael Murphy, and Administrative Secretary Shirley A. Ferreira.

After approving the minutes of the November 15 meeting, the Selectmen met with the Board of Assessors for a hearing to discuss classification of the town's tax rate for the upcoming year. The Assessors asked that the hearing be continued until next week as the state has not yet provided them with a certification report. The board agreed to continue the hearing to November 29 at 7:00 pm.

Chairwoman Hawkes then began going over incoming correspondence for the week, starting with a response from Sen. John F. Kerry regarding the funding of the Buzzards Bay Estuary. Sen. Kerry maintained that he would continue to fight to provide funding for this National Estuary Site and the EPA has assured him that funds will be awarded sometime in Fiscal Year 1993.

The board next cited information received from the Department of Environmental Management regarding grants available under the Lakes and Ponds Small Grant program. Some $100,000 will be made available throughout the state, with a maximum of $10,000 to eligible applicants (local municipalities, commissions, or districts) on a 50/50 cost sharing basis.

Pine Street resident Bill Post sent a copy of a letter he issued to the Board of Appeals regarding the recent application of Jeffrey Pontes for property at the same location. Mr. Post contends that Mr. Pontes, whose garage abuts his property, has created a disturbance in the past with a variety of "grinding, cutting, hammering, welding, and the use of numer-

Board of Health Chairman John Lafreniere sent a copy of a thank you letter he mailed to the Friends of the Marion Visiting Nurses Association for their support of the town's recent blood pressure clinics and related health services. These services are provided to Rochester residents for one and a half hours every other month at a cost of $67 per visit.

A notice was received from the Massachusetts Municipal Personnel Association of their Annual Holiday Luncheon to be held on December 10 at JC's Restaurant in Dedham. The luncheon, which costs $20 per person, is slated to begin at 12:00 noon.

The Selectmen next signed and unanimously approved a third quarter payment for Worker's Compensation in the amount of $1,429 and a legal invoice from Kopelman and Paige, P.C. for general legal services rendered during the month of October totalling $1,670.01.

ited bids from three printing establishments for the 1993 Town Report. The lowest bid came in from Crane Duplicating Service, Inc. of West Barnstable at $2,745.60. As the bid was under the money allocated ($3,000) and Ms. Ferreira was satisfied with the company (which printed last year's report), they unanimously voted to award the bid to Crane Duplicating Services.

At 7:15 pm the board met with Marilyn DeMoura and members of the Council on Aging to discuss Ms. DeMoura's interest in taking over as Director of the Rochester COA. Ms. DeMoura has previously worked as a housing and legal consultant and rights advocate for the elderly and said she is very interested in their needs. As she was recommended by the Rochester COA, the board unanimously voted to appoint her as the new COA Director, effective Monday, November 29, to replace Diane Cunningham who went on to a full-time position in Wareham.

Selectman Murphy said he had sent a letter to Everett Marder regarding his ongoing research into the purchase of a computer by the Police Department which turned out to be non-compatible with the forthcoming NCIC system. A copy of said letter was also submitted to his fellow board members.

Selectman Hughes noted that he had talked to officials at the New Bedford Animal Rescue League and they were willing to meet with the board next Monday (November 29) to discuss taking the town on for assistance in animal control and disposal. "I'd like to ask that the Dog Officer and his Assistants be notified to attend the meeting next week," he said.

Chairwoman Hawkes was concerned about them meeting next week as she will not be present. But Selectman Hughes and Selectman Murphy agreed only to discuss the matter and not make any decisions until she returned.

Chairwoman Hawkes noted that a total of $2,105 has been collected thus far for the purchase of a compatible computer for the Police Department. Just under $400 needs to be raised to purchase the $2,500 system and printer.

The board confirmed their annual Class II and Class III site inspections will take place on

Saturday, December 4.

At 7:30 pm, AETNA representative Barry Perkins came before the board with Town Accountant Claudette Coutu to discuss the establishment of a deferred compensation plan for town employees. The plan, which is akin to a 401K retirement package, would allow full-time employees to voluntarily participate and contribute 7.5 percent of their weekly wage into a retirement fund. Part-time employees of the town will have to participate in a mandatory plan as deemed appropriate by the town.

Adoption of this plan would not cost the town anything except for the labor time to set up the necessary paperwork to allow the weekly deductions. Participants in the plan will pay a $20 annual maintenance fee and be given a choice of 7 to 12 investment options. Rochester would save over $9,000 next year for part-time workers under this new option.

The board agreed to have Ms. Coutu further research the plan and check with area towns which have recently adopted it — including Carver and Wareham. Then a meeting of all the department heads will be scheduled so Mr. Perkins can further explain the package and how it suits each individual's needs. Mr. Perkins noted that not all employees will benefit from the plan, therefore each person should carefully weigh their options before deciding to participate.

At 8:00 pm the board discussed the opening of liquor stores in town on Sundays through New Year's Day. Selectman Hughes said he checked with the Alcoholic Beverage Control Commission (ABCC) and was informed that the board didn't need to hold

a public hearing on this matter but should post a set time when they were to discuss the issue so residents could attend if they so desired. As licensing authority for town liquor sales, the board is the sole arbiter of the decision on Sunday openings.

According to the specifications of this option under state law as cited by Chairwoman Hawkes, the stores could not be opened before 12:00 noon and must close no later than 11:00 pm. Selectman Hughes said all of the establishments in Rochester are a little different than most other municipalities. "We only have four in town, and they all also function as convenience stores," he said. "We have to specify that they can sell alcoholic beverages only within those hours. They are allowed to open and close outside that time, but cannot sell liquor before noon on Sundays."

With that clarification, Selectman Hughes moved to allow the town liquor vendors to sell alcoholic beverages on Sunday beginning November 28 through New Year's Day. The board unanimously approved the motion.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 8:10 pm.

To the Editor:

Thank you for your coverage of the Marion Music Hall Study Committee's Report to the (Marion) Selectmen. Your reporting of the plight of the Music Hall will help make the townspeople aware of the need to save this historically significant structure.

On October 1 the committee submitted a report which included studies of the potential issues of the building, the physical condition of the hall, an architectural study, an extensive history, possible means of funding the much-needed renovation, and suggestions for a publicity campaign. The report is

Newly-elected President Bob Gibbons said: "The members have voted in a strong slate for 1994 to carry on the MBA's concern for all phases of boating, and have incorporated MBA Inc., as the only statewide organization open to all boaters in the Commonwealth, whether sail or power, large or small, owners or crew, members of yacht clubs and fishing groups or individuals."

During 1993, MBA conducted a "grass roots" campaign throughout Massachusetts harbors, lakes, marinas, and with other marine groups to defeat an onerous boat excise tax increase that would have caused many to give up boating or berth out-of-state, thus averting further economic damage to the marine economy and the enjoyment of boating in the state.

In addition to its legislative activities and mobilizing of boaters to defend their interests, MBA Inc. will continue the organization's substantive programs of boating interest such as New Marine Technology, Moorings and Storm Safety, Navigation and Nautical Safety, Water Quality and the Marine Environment, and boating rendezvous, clambakes and other social events with a boating theme. In February 1994, MBA members are planning a lecture and slides presentation of the construction and launching of the coastal schooner *Larinda* by its

that on Saturday, December 4 from 11:00 am to 2:00 pm, the annual "Fair Noël" will be held at St. Gabriel's Parish on the corner of Front Street and South Street in Marion. There will be plenty of things to buy, wonderful things to eat, and a horse-drawn wagon around town. Kick off the holiday season and bring the whole family. The children have a chance to buy their gifts for family members in a special section just for kids! There are so many beautiful greens and wreaths that a tent is needed just to display them.

A catered lunch will top things off. A raffle of beautiful handmade items and a stay in Martha's Vineyard will also be offered! And you can indulge yourself on an array of baked goods, cheeses, jellies, frozen casseroles, appetizers, handmade crafts, trinkets and treasures! Come, enjoy, bring the whole family.

at 1:45 pm to present their production of "Merry Christmas Strega Nona" for all classes. This production is based on author Tomie de Paola's popular folk tale character, Strega Nona, or "Grandma Witch."

The setting of this story is the little town of Calabria, Italy. It is here that Strega Nona is preparing for the holidays with the help of her lovable but lazy assistant, Big Anthony. Will Strega Nona resort to her magic to get everything ready in time for the holidays? Good will to others is one of the main themes of the production. We hope that everyone will enjoy this play. If your child enjoys this program, then they might like to take the book out of the library to read at home.

All morning kindergarten children are welcome to come to school to see this performance. There is an audience limit to this show and we ask that parents do not bring any additional children to view this program. Happy Holidays from the Mattapoisett PTA and the Arts and Humanities Council.

Mattapoisett Student Awarded Ouimet Scholarship

A Mattapoisett student has been awarded a college tuition assistance scholarship by the Francis Ouimet Scholarship Fund, which is considered the state's official golf charity. The award is part of a record $370,000 the Ouimet Fund is granting to 240 students in 1993-1994.

Candidates for the Ouimet Scholarship must have completed three seasons "service to golf" at a Massachusetts golf course as caddies or helpers in a pro shop or course superintendent operations. The Ouimet Award is a competitive, need-based undergraduate scholarship.

"We had one of the largest applicant pools ever and we're delighted to be able to increase our awards by $40,000 this year. All of the award winners are outstanding young people, and we are very proud to help them," said Ouimet Fund President

Quite filled the air.

Homeowners were nestled
All snug in their beds,
While visions of panic
Danced 'round in their heads.

Decorations to finish, vacuum and dust,
Getting things ready is truly a must!
A Sugar Plum Tea, luncheon, Wassail and more
Will all be in force 'round the town's General Store.

Through the years Mother Nature has dealt us a blow,
With power outages, rain, sleet, e'en snow
Disrupting our plans as all of you know.
But surely this year the sun's bound to show.

Our host Handy's Tavern again serves us well,
Raising scholarship monies for kids to excel.

Our Marion Village is a setting just right
And a day on the tour is a certain delight.

Your support is essential!
Let's do this tour right!
Season's Greeting to all,
And to all a good night!

Area Man is Honored for Bird Carvings

Robert Seeley of West Wareham, formally of Mattapoisett, has just completed an international judging of his fine carving of birds. The Vermont Institute of Natural Science is presently displaying several of his works including a kestrel, an osprey, a blue jay, a canvasback, and a blue teal duck.

Different areas of the United States prefer different bird carvings. Some want birds of prey, some songbirds, some ducks, and here on the Cape, shore birds are in great demand.

The birds that Bob carves are unique and of his own design. It has taken several years of experimenting with different kinds of wood to develop his style of carving and burning of realistic feathers. Bob fashions head positions, bodies, wings and legs to give each bird character.

It is an honor to be selected for international judging. On Septem-

Notice to Rochester Residents

Rochester will implement an E-911 emergency police, fire and ambulance response plan in 1994.

In order to implement the plan it is necessary that all dwellings and buildings (including bog sheds with phones) have a street number placed on the building that is easily visible from the roadway or on a suitable post sign with the number on it at the end of their driveway.

You have received a notice or will receive a notice of corrected street numbers if applicable. Please take the necessary action to post the proper number on your home and mailbox and notify those who may be sending you mail (stores, credit card companies, Registry of Motor Vehicles, etc.)

Rochester Town By-Law requires every dwelling or building to have a street number thereon. The Massachusetts General Court established the same requirement, effective January, 1993. Failure to comply will subject you to daily penalties until corrected. In conjunction with the U.S. Post Office we ask that you comply before January 31, 1994. After that date, failure to comply will be considered a violation, and necessary action will be taken.

For further information on this matter, please contact Harry A. Brown, E-911 Coordinator in Rochester, at 763-5619.

On Thanksgiving night 1977, Eddie LaRiviere died. At the age of 16, he asphyxiated on his own vomit, alone in the backseat of a car, drunk — dead drunk.

Old Colony students will re-live Eddie's troubled life, confront the unsettling issues of being a teenager in today's society and search for ways to prevent similar tragedies from occurring.

Eddie's story is true. Following the Rhode Island youth's death, his brother Kevin, with other family and community members, began working toward the prevention of drug abuse and treatment for those in need. These efforts resulted in the play, "Eddie," written by Kevin LaRiviere and presented

Holy Spirit, you who solve all problems, who light all roads so I can attain my goals, you who give me the divine gifts to forgive and forget all evil against me, in this short prayer, to thank you for all things and confirm once again that I never want to be separated from you, even in spite of all material illusions. I wish to be with you in eternal glory, thank you for your mercy towards me and mine. The person must say this prayer for three consecutive days. After three days, the favor requested will be granted, even if it may appear difficult. This prayer must be published immediately after the favor is granted without mentioning the favor.
Only your initials shall appear at the bottom. Y.M.
